REPORT OF THE JURY OF HUNFILEX 2022

The Jury of FIP Specialised World Stamp Championship Exhibition HUNFILEX 2022 has completed judging and we are pleased to present this report.

The Jury judged a total of 279 exhibits and we have found that the quality of exhibits shown here is very high. We have awarded 24 Large Gold medals and 53 Gold medals. We are also pleased to see many exhibits that have made improvements since they were last shown in previous stamp exhibitions.

5 exhibits were transferred to a different exhibit class to ensure they achieved a better award. Unfortunately, 10 exhibits did not arrive and 4 exhibits were out of competition. Therefore 14 exhibits could not be judged. 7 exhibits were shown as photocopies and judged but will not be recorded in the FIP awards list.

The Jury would like to thank the HUNFILEX 2022 Organising Committee, FIP Consultant and National Commissioners for their efficiency and hard work. We are grateful for Court of Honour and FIP Grand Prix Club participants bringing us wonderful exhibits, which created enormous interest among the philatelists as well as all other visitors.

Finally, we wish to thank the hospitality and friendship of the HUNFILEX 2022 volunteers and the facilities and support provided by the Organizing Committee.

On behalf of the HUNFILEX 2022 Jury, April 1, 2022.

REPORT OF THE EXPERT GROUP

The Expert Group of HUNFILEX 2022 made a specific review of exhibits which had been queried at previous FIP exhibitions (including FEPA/FIAF/FIAP) where certificates were requested. Out of 6 items identified, 0 had a certificate provided and 4 items were not exhibited and 2 were exhibited, re-examined and no further actions were required.

Members of the Group also inspected as many exhibits as possible in each competitive class. Dubious items reported by judging teams were checked.

As a result, a total of 12 new items were removed from the frames for closer examination and the recommendations of the Expert Group were as follow:

No action required	6 items
Has to be certified	4 items
Do not exhibit again	2 items
Improve description	0 items
Total	12 items

The reports of the items examined together with illustrations in duplicate were handed over personally to the National Commissioners concerned for onward transmission to respective exhibitors and National Federations. This would ensure that the decision had been properly conveyed. Copies of the same documents in colour were retained for FIP records.

The Expert Group, consisting of Prakob Chirakiti, Jean-Pierre Magne and Dila Eaton would like to thank the judging teams and the National Commissioners for their co-operation as well as the Organizing Committee for the excellent facilities for the smooth working of our group.
